INTERNATIONAL 1926  
GRAND CHAMPION BULL

Bred, Developed and Shown

# Foreword

---

In our 20th annual sale we feel that we are offering to the public through our CUMBERLAND BLOOD more value than in any previous offering.

Due to the fact that our most brilliant show season culminated in winning the 1926 International Grand Champion bull on Oakdale Stanmore an intense CUMBERLAND PRODUCT, the sire, grandsire, great grandsire, were bred here on the farms. Their sires and dams were also bred by us for several generations.

At Salt Lake City, Utah, Cumberland Choice a son of the Champion Oak ale Stanmore repeated the performance of his sire by winning Grand Champion honors in competition with some of the season's consistent winners of this high honor at our important shows.

It is this blood that will make up our offering consisting of show cows that are real breeding cows. And also breeding matrons that have been bred along lines that have produced for us our winning cattle with calves at foot or carrying the services of Oakdale Stanmore.

The buyer wanting to fill out his show herd can find material for the two year old class and yearling classes either sired by Oakdale Stanmore or carrying his services.

The bull offering includes six good bulls ready for heavy service, and two outstanding show bull prospects.

We have on hands at all times for private sale bulls and females for show and breeding purposes, from one to a carload.

We cordially invite all interested in good shorthorns to be our guest June 2d

# OAKDALE STANMORE 1193382

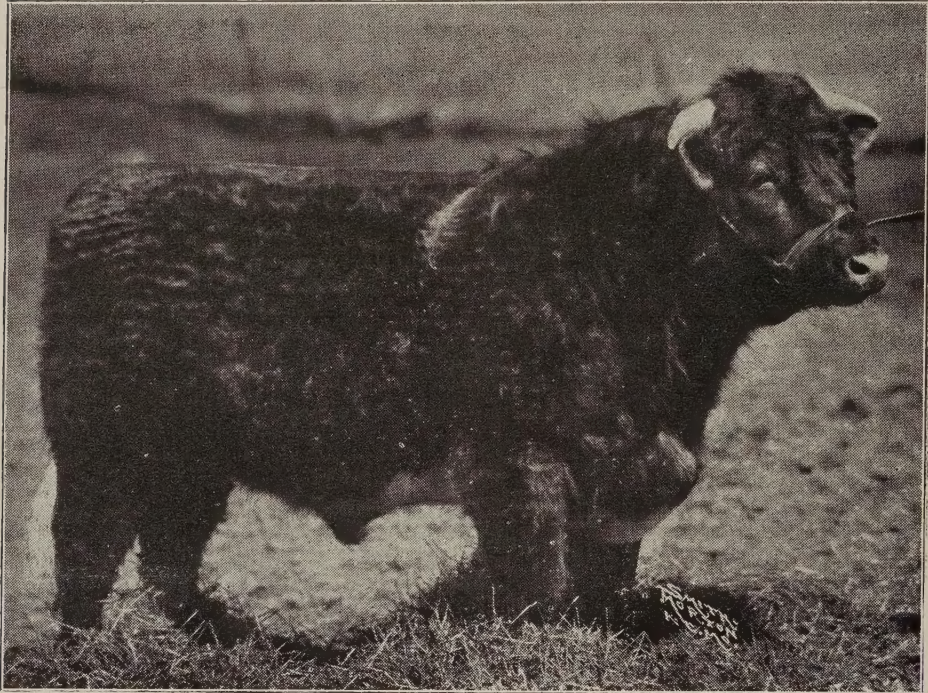

White. Calved March 16, 1923. Bred by Jos. Millers' Sons, Granger, Mo.

Note the sires that are represented in the tabulated pedigree of Oakdale Stanmore, and that they are influencing a great percent of the present day Shorthorns.

Oakdale Stanmore in conformation and type will fill the eye of the most critical judge. His consistent rating in the big shows four years winning the blue as junior bull calf, junior yearling, two year old, aged bull and forty two times Champion the past four years is proof that he is the foremost show bull of the present time.

His calves on the farms will allow him to lay claim to be the best breeding CUMBERLAND Sire, used in our herds. Also a son has won Grand Championship honors in competition with some of the season's Grand Champion winners in the big show.

Violet's Choice 915234, from the standpoint of Cruickshank breeding is possibly the strongest of any in the sale carrying the blood of the sires that made history for their breeder. She is also the type of cow you would expect to raise a herd bull from and well along in calf to Stanmore, should make her a good buy for any breeder.

Duchess of Gloster 50th has an outstanding heifer calf at foot and bred to Stanmore. You are getting the foundation for an entire herd. She is an extra heavy milker and consequently will not be in high flesh but is an exceptional breeding cow, one that will pay her way wherever she goes. A strong Cruickshank pedigree. C. C. by Rosewood Monarch, by Maxwalton Monarch out of Rosewood dam Imp. cow.
